MEMORANDUM FOR: Director of Training

Attached is a copy of my memorandum dated 18 October 1966 to the Executive Director-Comptroller on the subject of CIA speakers. Colonel White approved the recommendations which resulted from our meeting on 26 September; and his note, which is shown on the attached memorandum, states his desire to be kept current on the program and indicates the importance which he attaches to it.

For the time being and at least until this program is thoroughly established, I would like you to submit a monthly report on this subject to the Executive Director-Comptroller through this office. The report should identify the groups addressed, the speaker, and the date and place of the occasion.
